bedrooms. For added comfort, three Daikin mini-split systems provide efficient cooling in summer and supplemental heating in winter. Velux Integra roof windows, equipped with remote-controlled blinds and rain-sensor auto-close functionality, enhance ventilation and natural light. A secure Catio on the balcony provides a safe outdoor space for feline companions. Also included is a detached one bedroom and 3/4 bathroom, 900 sq ft guesthouse, ideal for guests or as a rental. This private unit offers full functionality while maintaining separation from the main home.
