Land on 483.50 Acres

N/A, Stanley, NM

Escape to the peace and wide-open beauty of rural New Mexico, this land delivers quiet solitude and panoramic mountain views in every direction. The raw, high-desert landscape provides a blank canvas for ranching, recreation, or off-grid living. The existing tiny home is thoughtfully placed for privacy and simplicity, while the terrain offers room for expansion, agriculture, or subdivision. Sunshine Ranch offers 483.5± acres across two deeded parcels (323.5± acres + 160± acres) in a fast-growing corridor between Moriarty and Estancia, just an hour from both Albuquerque and Santa Fe. With its own private well, solar-powered tiny home, and direct access via NM-41, this asset is ideally positioned for short or long-term investment. Accessible yet remote, Sunshine Ranch represents a rare opportunity to own a large, flexible holding in a region where demand for rural land continues to grow. Whether your goals are lifestyle-driven or strategic, this is land with purpose and potential.
