\$44,000

0 Bedroom, 0.00 Bathroom,
Land on 7.97 Acres

N/A, Abiquiu, NM

As we glance from the property, there are majestic vistas, whether early morning or late in the evening as the sun sets in the west. The view of the Chama Valley from the highest point of the land is truly breathtaking, especially during the fall when the cottonwood leaves are turning multiple colors. There is a reason why the Plaza Blanca is sought after - the reflection of the sun on the different rock formations, the white sandstone cliffs always give one different feelings. Never a dull moment. The property is 7.97 acres and is accessible from two county roads. The lower elevation road is a cul-de-sac that has an underground transformer ready for an extension to get power to the lot, or not, a solar power grid would be a great addition along with passive solar orientation. Select from many homesites. Drill a water well, many water wells are located near the property, along the lower elevation or install a cistern and harvest the rain water. Purchase now to make a dream come true, or Invest now for the future.
